Supplemental Application for Concours d'Elegance
2007 Lake Mirror Classic Auto Festival

In order to continue the screening process for the Concours d'Elegance, we request you provide additional detailed information on your proposed entry.

- Due to space limitations, we limit the number of Concours participants to approximately 100 (total) vehicles in the classifications listed below. Accordingly, we may not be able to accommodate all applicants in the Concours portion of this event.
- Our selection criteria are intentionally subjective as we attempt to present a diverse field of significantly interesting and properly prepared automobiles. (Concours applicants may elect to not be judged.)
- If your vehicle is not selected for the Concours you are invited to participate in the downtown (non-judged) portion of the Lake Mirror Classic Auto Festival.

Please provide the following information as appropriate for your vehicle:

Entrant Name: _____ Phone _____
Vehicle Make & Model: _____
Check Proposed Class:
